### **Camp History and Funding:**

- This is our 15th year hosting the camp.
- For the past two years, the camp was funded by the Governor's office, allowing us to offer it free of charge to attendees.
- Prior to this funding, the camp cost \$1500 per week.
- Thanks to the generous support of our donors, we have reduced the camp fee to **\$750 for a two-week session.**
- We are still actively seeking additional funding and sponsorships to assist campers in need.

### **Registration and Payment:**

- Registration: Camp registration is on a first-come, first-served basis.
- Multiple Sessions: Campers can register for as many summer sessions as they wish.

- Payment Options:
  - Families needing to split payments can register and then contact us for a customized payment link.
  - We also offer Afterpay and accept Empowerment Scholarship Account (ESA) funds. If using ESA funds, please register and contact us to receive an invoice for upload to your ESA account.

### **Additional Support:**

- We understand some campers may need financial assistance. We are working hard to secure additional funding and welcome sponsors to support a child's camp experience.
